Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

### Chapter 2. S22 Omnidirectional siren

A nondirectional siren suitable for all enviroments.

The S22 supports 2 tone types: a standard siren ad a attention wail. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

#### S22 Operating Instructions

Here's how to operate the S22 siren.

The S22 can operate in two modes: a standard siren and an attention wail. You can operate the S22 from either the pael in the front dashboard or in the secondary panel on the side control.

- 1. Press the **Power** button on the siren panel.
- 2. Select either sound mode.
- 3. Press the **Siren** button.

## Chapter 3. W4662 Rugged Wheel

The W4662 rugged wheel is an ideal solution for off-road and rural work.

The W4662 wheel is a rugged wheel suitable for off-road environments, including forests, deserts, and rocky areas. If you expects to fight fires in these rural environments we recommend the W4662.

Figure 1. W4662 Rugged Wheel

Many of our rescue clients who operate in desert and wooded areas highly recommend the W4662.
